

Planning a corporate event?

We have the perfect outing for you!

Introducing **Chicago Beer Experience Beer Tours!**

Our **beer tours** are **fun, educational** and are led by a **trained guide**. On our beer tour, your group of up to 18 people will do the following:

- **Walk** about a half mile and **enjoy** the Lincoln Park and Lakeview Chicago neighborhoods, about three and a half miles north of the Loop and easily accessible via public transportation.
- **Learn** about **Chicago history** as it relates to **beer**, all the way from 1833 to present day. For example, did you know that the German population rioted in downtown Chicago in 1855 due to new liquor laws?
- **Visit** an **Irish Pub**, a **beer-and-bacon bar**, a **specialty beer and wine store**, and a **punk rock bar** that has been around since before the days of Prohibition.
- **Explore** the basics of **different beer styles** and **how beer is made**.
- **Taste 16 different beers**, about 4 normal size beers in total, several of which are local Chicago craft beers.

Our tours are 3 hours long and cost \$58.90 per person, plus 15% gratuity for corporate or other private groups. \$33.90 tickets are available for non-drinkers. Please visit our website at www.chicagobeerexperience.com for more information. **Unlisted dates, including weekdays, are available for private groups.** If interested, please email us at info@chicagobeerexperience.com or call 312-841-0456.
